Learning Focus

The **Drugs & Alcohol** incursion equips students to develop an understanding of why drugs and alcohol exist, safety measures, the potential harm it can cause and issues of peer pressure and decision-making. Through a variety of **interactive activities, games, discussion, stories, multi-media**, and **video** the workshop provides students with tools for making good choices, identifying support structures, coping with peer pressure, what addiction is and how choices impact our future.

The **Drugs & Alcohol** incursion is recommended for mid to upper primary. In addition to the student incursion, a complimentary teacher resource manual & curriculum is provided that can be implemented & modified to extend the learning outcomes in the classroom over several weeks.

Key concepts covered in the session:

- ▶ What drugs are and exploring the different reasons why people use drugs and alcohol
- ▶ The effects of drug use on the human body including medicinal and more harmful drugs (age appropriate)
- ▶ How alcohol (and other drugs) effects the brain
- ▶ What addiction is, how it begins and impacts the future
- ▶ The importance of making positive and healthy life choices
- ▶ How peer pressure can be powerful, particularly for young people, and how it influences our choices
- ▶ Decision-making and thinking of long-term consequences
- ▶ Promotion of resilient factors including the need for a caring community, having positive role models, setting goals and having a greater purpose in life
